

## ANGUS COUNCIL

ROADS COMMITTEE

24 APRIL 1997

**REPAIRS TO UNADOPTED ROADS****REPORT BY THE DIRECTOR OF ROADS****ABSTRACT**

This Report proposes a list of unadopted roads for treatment to a reasonable standard in financial year 1997/98.

**1 RECOMMENDATIONS**

It is recommended that the Committee agrees to approve the carrying out of works to a reasonable standard on the unadopted roads listed in Appendix A of this report.

**2 INTRODUCTION**

The Committee will recall Report No 98/96 outlining the Council's proposed interim transportation policies which included 'the Council within a fixed annual sum, will endeavour to carry out repairs to private roads'.

Also Report No 476/96 where the Committee agreed to 'The Director of Roads prioritising a programme for all future works for unadopted roads based on certain criteria for subsequent submissions to Committee.'

### 3 DETAILS

The Director of Roads holds a full list of unadopted roads which have been nominated for repair. The list of unadopted roads put forward for treatment is being maintained and added to and the roads proposed for such treatment to reasonable standard, drawn from the list, in 1997/98 is enclosed in this Report as Appendix A.

### 4 FINANCIAL IMPLICATIONS

To finance the list of roads contained in Appendix A will require expenditure of £41,829 in financial year 1997/98. This sum can be met from the £50,000 allocation for Unadopted Roads in the 1997/98 Financial Plan, after allowing for surface dressing the 1996/97 sites and associated staff costs.

### 5 CONSULTATION

The Chief Executive, the Director of Law and Administration, the Director of Finance and the Director of Planning, Transport and Economic Development have been consulted in the preparation of this Report.
