

**ANGUS COUNCIL**

**ROADS COMMITTEE**

**1 DECEMBER 1998**

**VARIATION OF WAITING RESTRICTIONS**  
**MONTROSE HIGH STREET - ENVIRONMENTAL IMPROVEMENTS**

**REPORT BY THE DIRECTOR OF ROADS**

**ABSTRACT**

Amendments to current waiting restrictions are proposed to take account of alterations to the road layout at High Street, Montrose.

**1 RECOMMENDATION**

It is recommended that the Committee agree to the promotion of the necessary Traffic Regulation Variation Orders to effect changes to current waiting restrictions in High Street, Montrose.

**2 DETAILS**

The Roads Committee of 11 June 1998 agreed to carry out environmental improvements in Montrose High Street including the widening of footways etc and corresponding narrowing of carriageways. It is also proposed to amend the current waiting restrictions on High Street in order to maintain free traffic flow and to increase the overall level of limited waiting.

The proposed alterations to waiting restrictions are shown on Drawing Nos T.98/62 – 01.

**3 FINANCIAL IMPLICATIONS**

The costs of implementing the proposals will be met from the budget for the Montrose High Street Environmental Improvements scheme.

**4 CONSULTATION**

The Chief Executive, the Director of Law and Administration, the Director of Finance and the Chief Constable have been consulted in the preparation of this Report.

**5 CONCLUSION**

In the interests of pedestrian and traffic safety and free traffic flow alterations to waiting restrictions are considered appropriate. The variations of the current Traffic Regulation Orders to implement these alterations are therefore necessary.

Dr Bob McLellan  
DIRECTOR OF ROADS
