Abstract

This report presents the current status of expenditure on the maintenance of non-housing properties.

RECOMMENDATION

The Resources and Central Services Committee is recommended to note the contents of this report.

1 INTRODUCTION

The Property Services Department currently manages the property maintenance budgets for all non-housing properties within Angus Council.

2 STATUS

The current expenditure status as at 30 June 2004 for Property Services revenue funded budgets is detailed in Table 1*, while Table 2 indicates current expenditure for the devolved school management budgets.

Appendix 1 indicates the departmental breakdown of the current expenditure against the property maintenance revenue budget.

*Note: The allowances of £309,000 for the operation of the Devolved School Management Scheme has been included in Table 1 and the table in Appendix 1.

*Note: See Note 1, Appendix 1

Table 2 Current Devolved School Management Expenditure

	Planned & Unplanned (D98)	Improvements (D99)	Total

Expenditure at 30/06/2004	£58,857	£57,124	£115,981
% of Budget Spent			38%

Table 2 makes limited allowance for the operation of the Devolved School Management scheme by including the value of workload undertaken by the Property Services department on behalf of individual schools whether of a maintenance or improvement nature.

All schools hold DSM budgets for property maintenance where savings achieved by non-expenditure can be carried over into the next financial year or expended in the current financial year but not necessarily on property maintenance. The Property Services and Finance departments will continue to monitor expenditure and report end of year out turn, including Devolved School Management aspects, in due course to the Resources and Central Services Committee.
