

MYRE CAR PARK, FORFAR – SCOTTISH WATER

Abstract

This report advises the Committee of the proposal by Scottish Water to install a new sewerage storage tank in the Myre Car Park, Forfar.

RECOMMENDATION

The Resources and Central Services Committee is recommended to approve that:

1. Angus Council agrees to the proposed works to be carried out by Scottish Water under the Sewerage (Scotland) act 1968.
2. Angus Council enters into a lease of the area indicated on the [attached plan](#) to Scottish Water for use as a contractors compound on terms and conditions to be agreed by the Director of Property Services.
3. The Director of Property Services issues a claim for compensation for the area of the car park to be utilised by the new storage tank and enter into a lease of the site compound on terms and conditions to be agreed.

1 INTRODUCTION

Scottish Water proposes to construct a new storage tank in the Myre Car Park in order to improve the quality of the discharge into Forfar Loch.

The Myre Car Park is held on the Forfar Common Good Account and leased to Angus Council Roads Department.

2 CURRENT POSITION

After a series of meetings involving all local Councillors, Scottish Water has now requested that the new tank be situated in the location shown on the attached plan and the contractors site compound also be situated in the car park as shown.

3 FINANCIAL IMPLICATIONS

Angus Council will receive compensation for the sterilisation of the land to be used for the storage tank plus rental income for the lease of the area for a site compound.

4 CONSULTATION

The Chief Executive, the Director of Law & Administration and the Director of Finance have been consulted in the preparation of this report.

5 CONCLUSION

The works proposed by Scottish Water under the Sewerage (Scotland) act 1968 will improve the quality of the discharge into Forfar Loch. The site within the Myre Car Park is required to install a holding tank to enable the process to operate efficiently.

6 HUMAN RIGHTS IMPLICATIONS

There are no Human Rights implications specific to this report.
