

ANGUS COUNCIL

NEIGHBOURHOOD SERVICES COMMITTEE – 16 APRIL 2009

CLOSING ORDER

REPORT BY THE DIRECTOR OF INFRASTRUCTURE SERVICES

ABSTRACT

To make a Closing Order on a house reported herewith which fails to meet the “Tolerable Standard”.

1. RECOMMENDATIONS

1.1 It is recommended that Members approve the making of a Closing Order on:-

- (i) Boal Cottage (East), Reswailie, by Forfar

2. BACKGROUND

2.1 The Housing (Scotland) Act 1987 (as amended) makes provision for the local authority to place a closing order on a house, if the authority is satisfied that the house is unfit for human habitation whereby it fails to meet the Tolerable Standard as prescribed in the Act. The property details are as follows:-

- The property is unoccupied.
- The property is a stone built semi-detached cottage with slated roof. It consists of an entrance hallway, living room, kitchen and bedroom, with a further hallway leading to a former water closet and internal coal store.
- The property has no adequate piped supply of wholesome water available within the house.
- The property has no fixed bath or shower with a satisfactory supply of both hot and cold water suitably located within the house.
- The property does not benefit from a satisfactory electricity supply.
- The owner of the property is Mrs C Townsend, Reswailie House, by Forfar.
- The adjoining property Boal Cottage (west) was made the subject of a closing order in 1990 this is still in place.

3. HUMAN RIGHTS

3.1 Article 1 of The First Protocol provides that every person is entitled to the peaceful enjoyment of his possessions. By making a closing order on this property, the Council would be denying the owners the right to occupy their property. It is a criminal offence to occupy property which has a closing order made over it.

3.2 The Article is, however, qualified in that it allows the State to enforce such laws as it deems necessary to control the use of property in accordance with the general interest. It is suggested that due to the nature of the defects referred to above, the Council would be entitled to make the Closing Order notwithstanding that the property is unoccupied.

4. FINANCIAL IMPLICATIONS

4.1 There are no financial implications.

5. EQUALITIES IMPLICATIONS

- 5.1 The issues dealt with in this Report have been the subject of consideration from an equalities perspective (as required by legislation). An equalities impact assessment is not required.

6. SINGLE OUTCOME AGREEMENT

- 6.1 This report contributes to the following local outcome(s) contained within the Single Outcome Agreement for Angus.
- Good quality housing is available throughout Angus.
