d) Note the Chief Internal Auditor will bring back to future sub-committees update reports in relation to follow up audits including any outstanding actions

2. INTRODUCTION
The annual internal audit plan prepared by the Chief Internal Auditor is ratified by the Scrutiny and Audit sub-committee and update reports on the plan progress are presented on a quarterly basis.

Internal Audit issue a formal report for each audit undertaken as part of the annual audit plan. Each audit report contains an action plan which incorporates all the recommendations made. This action plan, prepared under SMART (Specific, Measurable, Achievable, Realistic, Timed) criteria is agreed with management who nominate persons responsible for taking forward the actions and who set their own completion date for each action. This agreed action plan forms an integral part of the final audit report and audit recommendations are ranked to indicate materiality.

3. AUDIT FOLLOW UP
As part of the ongoing audit process, internal audit review the implementation of the recommendations utilising the agreed action plan as the base for the follow up audit. A follow up audit report/memorandum is then issued to the client.

4. ROLE OF THE SCRUTINITY & AUDIT SUB-COMMITTEE
Presented as part of this update report are summaries of the audit report findings which highlight the main areas arising. Full copies of the reports are available from the Chief Internal Auditor, on request, to any member.

The terms of reference of the sub-committee involve consideration of the summary reports. It is therefore recommended that, at this meeting, members note the content of the summaries, provide any commentary and note that the Chief Internal Auditor will provide update reports on follow up audits including any outstanding actions.
