1 RECOMMENDATION

It is recommended that the Social Work and Health Committee notes the terms of the Social Work and Health Department Annual Report 2010/11.

2 INTRODUCTION

As an integral part of the council’s performance management arrangements, each department is required to prepare an annual report for submission to their service committee in the first committee cycle following the summer recess.

The reports are designed to give members, employees and the public (who will have access to the reports via the council’s website) an at a glance picture of performance within the departments during the previous financial year.

They follow a standard format to ensure consistency of approach across the council.

The reports will also be considered in detail by the Scrutiny and Audit Sub Committee at its meeting on 20 September 2011.

Attached to this report is the annual report for the Social Work and Health department for 2010/11. (Appendix 1, 2, 3)
