REPORT BY SERVICE MANAGER - GOVERNANCE

ABSTRACT

This report provides the [Internal Audit Activity update](#) on the main findings of internal audit reports issued since the date of the last Scrutiny and Audit Committee.

1. RECOMMENDATIONS

It is recommended that the Scrutiny and Audit Committee:-

- (ii) Provide any commentary considered appropriate at this time
- (iii) Note that Internal Audit will bring back to future committees update reports in relation to follow up audits including any outstanding actions

2. INTRODUCTION

The annual internal audit plan prepared was ratified by the Scrutiny and Audit sub-committee and update reports on the plan progress are presented on a quarterly basis. In addition a report summarising the audit reports issued during the reporting period has been submitted to each meeting of the Scrutiny and Audit sub-committee and is now submitted to the Scrutiny and Audit committee.

Internal Audit issue a formal report for each audit undertaken as part of the annual audit plan. Each audit report contains an action plan which incorporates all the recommendations made. This action plan, prepared under SMART (Specific, Measurable, Achievable, Realistic, Timed) criteria is agreed with management who nominate persons responsible for taking forward the actions and who set their own completion date for each action. This agreed action plan forms an integral part of the final audit report and audit recommendations are ranked to indicate materiality.

3. AUDIT FOLLOW UP

As part of the ongoing audit process, internal audit review the implementation of the recommendations utilising the agreed action plan as the base for the follow up audit. A follow up audit report/memorandum is then issued to the client.

4. ROLE OF THE SCRUTINY & AUDIT COMMITTEE

Presented as part of this update report are summaries of the audit report findings which highlight the main areas arising. Full copies of the reports are available from the Service Manager - Governance, on request, to any member.

The terms of reference of the committee involve consideration of the outcomes of internal audit reports. It is therefore recommended that, at this meeting, members note the content of the summaries, provide any commentary and note that Internal Audit will provide update reports on follow up audits including any outstanding actions.
