

**ANGUS COUNCIL**

**ROADS COMMITTEE**

**23 AUGUST 2001**

**ADDITIONS/DELETIONS TO THE LIST OF PUBLIC ROADS**

**REPORT BY THE DIRECTOR OF ROADS**

**ABSTRACT**

This report recommends additions/deletions of roads to/from the List of Public Roads.

**1 RECOMMENDATIONS**

It is recommended that the Committee agree:-

- (i) that the lengths of roads defined in the attached Schedule for Additions to the List of Public Roads (Appendix 1) be formally added to the List of Public Roads;
- (ii) that the lengths of roads defined in the attached Schedule for Deletions from the List of Public Roads (Appendix 2) be formally deleted from the List of Public Roads.

**2 DETAILS**

In terms of Sections 16(1) and 18(3) of the Roads (Scotland) Act 1984, the lengths of roads listed in Appendix 1 are recommended for addition to the List of Public Roads.

In terms of Section 1(4) of the Roads (Scotland) Act 1984, the lengths of roads listed in Appendix 2 are recommended for deletion from the List of Public Roads.

### 3 **FINANCIAL IMPLICATIONS**

The net revenue savings arising in respect of the routine maintenance of the roads and street lighting will amount to £3519 per annum at current rates. This amount can therefore be re-allocated to other priorities under the Revenue Budget for Road Maintenance.

### 4 **HUMAN RIGHTS IMPLICATIONS**

There are no human rights implications arising from this report.

### 5 **CONSULTATION**

The Chief Executive, the Director of Law and Administration and the Director of Finance have been consulted in the preparation of this Report.

### 6 **CONCLUSION**

The sections of carriageway and footway to be added to the List of Public Roads were completed to the Council's specification. The lengths of roads to be deleted from the List of Public Roads have been stopped up and are no longer necessary. Consequently, the Council as Roads Authority is obliged to add/remove the roads to/from its List of Public Roads.

Dr Bob McLellan  
DIRECTOR OF ROADS
