Be aware of the risks RESPECT WATER

- Keep away from the banks of the reservoir except where special provision has been made
- The banks of the reservoir are very steep and in many places continue into very deep and cold water. If you fall in you might easily be overcome
- Please take every precaution to remain water safe - children and senior citizens are particularly at risk.
- Be able to assist in an emergency
- Be aware of the location of the life-rings, the First Aid point and the Ranger Centre. Summon the emergency services, rangers or others who are close at hand in an emergency. We have taken all reasonable precautions to ensure your safety - please help us to keep everybody water safe
- During hot weather heavy plankton growth in the water may cause skin irritation for some people
- During cold weather keep off the ice and do not allow your pet off the lead
