- No smoking on or around the synthetic area
- Strictly no chewing gum to be consumed or thrown on the synthetic area
- Only one set of portable goals per booking
- Please remove all your litter from the synthetic area after use
- Please refrain from swearing - this is a community facility
- If moving the portable goals please ensure the wheels are fully engaged whilst in transit
- Please return goals to the side of the pitch after use
- Please be courteous to all other pitch users - this includes managing your session properly to ensure your players and equipment do not inconvenience other bookings
- Please do not access the synthetic area prior to the official commencement of your booking
- Please ensure that your session is concluded and all of your players are off the pitch at your official finishing time.
- If using the changing rooms please ensure that they are left in a tidy condition
- In the event of severe weather which necessitates venue closure, ANGUSalive will endeavour to inform all lets affected
- It is the responsibility of the user to ensure that any potential risk associated with an activity is minimised. The person or organisation who have booked the facility are responsible for the safety and behaviour of spectators in any way linked to their activity
- Venue management staff reserve the right to terminate any activity where staff consider the situation is unsafe and in breach of health and safety regulations
- First Aid arrangements should be put in place by the hirer of the pitch during the hire times
- ANGUSalive do not accept responsibility for the loss of personal belongings

A copy of these rules may be obtained from ANGUSalive, St Margaret's House, Orchardbank Business Park, Forfar, DD8 3WS or online at www.angusalive.scot
